**Task 2:** The next task is totally different than the previous ones. It is a song about growing up. The author of the song leads us from his childhood, the mistakes that he made, the wonders that he discovered, the emotions that he experienced, the places that he longs to... He tells us about a place that he loves and misses so much - HIS HOME...

### Ed Sheeran - Castle On The Hill

When I was six years old I broke my leg  
I was running from my brother and his friends  
And tasted the sweet perfume of the mountain grass I rolled  
down  
I was younger then, take me back to when I  
Found my heart and broke it here  
Made friends and lost them through the years  
And I've not seen the roaring fields in so long, I know I've grown  
But I can't wait to go home  
I'm on my way  
Driving at ninety down those country lanes  
Singing to "Tiny Dancer"  
And I miss the way you make me feel, and it's real  
We watched the sunset over the castle on the hill  
Fifteen years old and smoking hand-rolled cigarettes  
Running from the law through the backfields and getting drunk with my friends  
Had my first kiss on a Friday night, I don't reckon that I did it right  
But I was younger then, take me back to when  
We found weekend jobs, when we got paid  
We'd buy cheap spirits and drink them straight  
Me and my friends have not thrown up in so long, oh how we've grown  
But I can't wait to go home  
I'm on my way  
Driving at ninety down those country lanes  
Singing to "Tiny Dancer"  
And I miss the way you make me feel, and it's real  
We watched the sunset over the castle on the hill  
Over the castle on the hill  
Over the castle on the hill  
One friend left to sell clothes  
One works down by the coast  
One had two kids but lives alone  
One's brother overdosed  
One's already on his second wife  
One's just barely getting by  
But these people raised me and I can't wait to go home  
And I'm on my way, I still remember  
This old country lanes  
When we did not know the answers  
And I miss the way you make me feel, it's real  
We watched the sunset over the castle on the hill  
Over the castle on the hill  
Over the castle on the hill

First of all, listen to the song and watch the clip. If you do not know any words - circle them. Look up only seven not more.

Secondly, underline the verbs in Past Tenses - the first two are done for you ;)

Thirdly, compare the experience described in this song with the ones from your life - mark them with a **green colour**. I have done that for myself... ;) Use **red colour** for the facts that have not taken place in your life...

Write about the situations from your life which are different, for example:

**I did not break my leg** but I broke my left pinky when I was playing basketball.

Try to recall some of the deeds that you are proud of and the ones that you regret... Maybe three positive and three negative ones.

Fourthly, think of a place that is significant to you. For Ed - it is "the castle on the hill" which even became the title of this song. Describe yours.

As the last task, sing the song with the lyrics on the screen: <https://www.youtube.com/watch?v=zev-ckJyiH4>

Finally, can you tell me the name of a song that is important to you?

Thank you in advance :)

**Good luck! I hope you enjoy online studying... :)**

-----

Temat 1: **Paralympics** - Igrzyska Paraolimpijskie.

**Task 1:** Describe the picture.

1	Who do you see?
2	Where are the people?
3	What are they doing?
4	What do they feel?

Use **green colour** for the part of the text that you have written right from your head :)

Use **yellow colour** for the words that you had to look up in a translator or dictionary...

Now, present your opinion:

What do you think about Paralympic Games?

What is your attitude to paralympic athletes? Do you respect or neglect them? Explain your opinion in details.

Should they be judged the same as healthy sportsmen?

What obstacles do they have to face to make progress or gain achievements?

Do you know any paralympic sportsmen? Have you ever met one?

**Task 2:** I am sure that most of you perfectly know the song entitled: “We are the champions”, especially the chorus... The lyrics were written by Freddie Mercury, the vocalist of The Queen. As the song is usually sung at the Olympics I guess the song is worth knowing.

### **We Are the Champions – Queen**

<https://www.youtube.com/watch?v=04854XqcfCY>

I've paid my dues

Time after time

I've done my sentence

But committed no crime

And bad mistakes

I've made a few

I've had my share of sand kicked in my face

But I've come through

We are the champions, my friends

And we'll keep on fighting 'til the end

We are the champions

We are the champions

No time for losers

'Cause we are the champions of the world

I've taken my bows

And my curtain calls

You brought me fame and fortune and everything that goes with it

I thank you all

But it's been no bed of roses

No pleasure cruise

I consider it a challenge before the whole human race

And I ain't gonna lose

We are the champions, my friends...

First of all, listen to the song and watch the clip. If you do not know any words - circle them. Look up only seven not more.

Secondly, underline the verbs in Present Perfect - the first two are done for you ;)

Thirdly, try to explain what dues you pay, what crimes you have committed, if any, what mistakes you have made recently...

Fourthly, think in what sense you are a champion and when you consider yourself as a loser...? What would you consider as a bed of roses or pleasure cruise?

As the last task, sing the song with the lyrics on the screen: <https://www.youtube.com/watch?v=071fetlkCZo>

Finally, can you tell me the name of a song that is important to you?

Thank you in advance :)

thank  
you
